

FOR IMMEDIATE RELEASE

International players showing interest in facility management business in India, finds Netscribes

Netscribes (India) Pvt. Ltd. launches its Facilities Management Services market - India report covering the emerging areas of facilities and property management services in India. The report is a special feature from Netscribes

Mumbai, India – September 04, 2009 – Netscribes (India) Pvt. Ltd., a knowledge consulting solutions company, announces the launch of its report – Facilities Management Services market in India. With growing IT/ITES, real estate and retail sectors, the market is upbeat for facilities management services in India. International real estate consulting giants have entered this market and aims at increasing their market share through organic as well as inorganic growth. Unorganized nature and presence of large number of small local players provides good opportunities for international players to expand through acquisitions.

The report provides a snapshot of the facilities management services market in India, including an introduction to the types of services provided and target audience. It provides the market size, growth and market share of the organized/unorganized sector, and geographic overview along with a region-wise split in India. Key drivers of the market are highlighted and major issues/challenges hindering growth are also covered in the report. Current trends in the facilities management services market are discussed in a separate section. Competitive landscape provides the list of major international and domestic players including the employee strength, types of services and future plans for each player.
