

FOR IMMEDIATE RELEASE

**Rising health awareness and income levels driving the spa market in India, finds Netscribes' report**

*Netscribes (India) Pvt. Ltd. launches its Spa Industry report covering one of the industries in India which has been growing steadily with strong future prospects.*

**Mumbai, India – June 29, 2009** – Netscribes (India) Pvt. Ltd., a knowledge consulting solutions company, announces the launch of Spa Industry - India report. The rising level of annual disposable income coupled with the growing level of health awareness is expected to boost the demand for spa treatments. Increase in demand for such spa treatments and high profit margins provide tremendous investment opportunities in this sector.

The report provides a snapshot of the spa market in India, including the market size and growth figures. The report highlights the various types of popular spa in India and marks major geographical spa destination in India. It also covers the growth opportunities for the industries affiliated to spa market. The report covers the key trends and drivers in the spa market and briefly analyzes the major issues/challenges hindering the market growth. Competition section identifies the major domestic and foreign players in the Indian market including the geographical presence, services offered and business outlook for each player. The report mentions about the new players planning to foray into the market and also covers the other key developments in the industry.
